

Kansbol Burnt Orange

Whether you need to make wood splints for the fire or need to skin a moose, Kansbol will preform. The long tradition of Scandinavian outdoor recreation makes Kansbol a reliable partner when the wilderness beckons.

Properties:

Kansbol brings you the best from two worlds. It has the flexibility of a lightweight knife, and the strength of a more robust model. This combination makes it a real all-round knife. Kansbol is a reliable partner in the forest, when hiking, hunting or on the lake. The blade is flattened for increased precision and the spine is grinded for use with spark plugs.
