

## EU type-examination certificate

C2620.1KASK

Applicant	KASK S.p.a. Via Firenze 5 24060 CHIUDUNO ITALY
Identification of the applicant	KASK
Product type	Face-shield / visor, affixed to headgear and safety helmet, intended to protecting against a short circuit electric arc
Model name	KASK ARC VISOR CLASS 1
Standard(s) / technical rules	Essential requirements according to Annex II of the PPE Regulation (EU) 2016/425 EN 166 : 2001, EN 170 : 2002, DGVV GS-ET-29 : 2010
Test reports	10661-ECS-11, 11361-ECS-12, 10431-ECS-13, 10891-ECS-14, 11461-ECS-15, 12112-ECS-16, 12001-ECS-17, 22101-ECS-18
Material	Polycarbonate Hard Plastics
Specifications	Luminous transmittance NA: 88% Optical class: 1, UV-filter, Recognition of signal lights Protection against high-speed particles, medium energy impact (B) Protection against short circuit electric arc (8), Class 1, Transmission class 0 Protection against splashes of liquids (3)
Marking / Cat-III-product	2C-1.2 KASK 1 B 8-1-0 3 - 166 B 8 CE 1883

Eye-protection devices against electrical risks and for work under voltage are Category-III-Products and are supervised by a Notified Body in accordance to the PPE-Regulation Module C2.

This EU type-examination certificate will expire on **30 September 2023**.

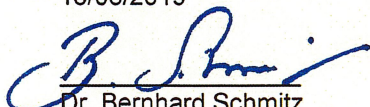

Herewith, ECS certifies that the named model complies with the essential requirements for health and safety as they are provided by the European Regulation (EU) 2016/425 for Personal Protective Equipment. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and/or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different markings have been assessed, the lowest marking must be applied, respectively.

The validity of this EU type-examination certificate will expire on the date as mentioned below, and/or if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one and/or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.
